

## **Disclaimer**

The copyright and any other intellectual property rights contained on the UK Radioactive Waste & Materials Inventory website (and outputs) reside jointly in the Crown, Nuclear Decommissioning Authority (NDA) and their licensors. The contents of this document (not including logos) may be freely used for non-commercial purposes. You must re-use it accurately and not in a misleading context. You must acknowledge the materials as the Crown and NDA copyright and give the title of the document/publication. Where we have identified any third party copyright material you will need to obtain permission from the copyright holders concerned.

All data has been prepared on the basis of information supplied by the waste producers. Although great care has been taken to ensure the accuracy and completeness of the data, the Crown and NDA cannot assume any responsibility for consequences that may arise from its use by other parties.

Waste volume data within this report is shown to three significant figures. All exported data will become invalid if/when used out of context with the original search-term request.

Further information about the UK Radioactive Waste & Materials Inventory can be found on [ukinventory.nda.gov.uk](http://ukinventory.nda.gov.uk)
